THE FALCON

FAIRLESS HIGH SCHOOL
NAVARRE, OHIO

Forword and Content

America offers freedom and opportunity such as no land before her has ever known. Let us "strive for excellency" in the field of our choice. This can be done by making ourselves as wise and learned as we can in many fields. The man who understands his era and the great events in many fields is usually the man who is excellent in his own.

The Fairless Local School District Board of Education is comprised of Paul Gribble, *clerk*; Richard Hunsinger, Dr. Donald Cotton, *president*; David Gardner, John Regula, and Mrs. Ruby Andrews. In the capable hands of this board lies the responsibility of administering the Fairless Schools.

Administration

John A. Mensch, Executive Head of the Fairless School District, supervises and co-ordinates programs of all schools in the district and is responsible for carrying out the policies of the Board of Education. He earned his B.S. degree at Mount Union College, Alliance, Ohio, and his M.A. degree at Kent State University, Kent, Ohio.

Donald Poling graduated from Findlay College, Findlay, Ohio, with a B.S. in education and from Bowling Green State University, Bowling Green, Ohio, with a M. of Ed. As Assistant Principal in the Senior High School he is the pulse of the high school and a most inquisitive man when it comes to granting permission slips.

Principal's Message . . .

"What is worth doing is worth doing well. This saying expresses my opinion and ideas on the operation of a high school. The teachers, the building, the curriculum, the visual class room aids and the activities all work toward the theme 'excellency'. It is only then that any school will give the most help to the individual student."

Robert H. Hall, Principal of Fairless High School, received his B.S. and M.A. degrees at Ohio State University, Columbus, Ohio. He plans our school programs, directs activities and administers the policies of our school.

Our Principal and his wife enjoy a pleasant evening with friends at the Prom.

CLASS OF 1964

The consolidation was one year old when 153 Sophomores met at Navarre to begin their first year of Senior High School. At their first class meeting Chester Larson was elected to serve as Class President. Becky Nestor was chosen Vice-President, Peg Stucky as Secretary, and Lind Thern as Treasurer. Chester, Judy Doll and Chuck Baltzer represented their class in the Student Council.

Mrs. Toot, Mrs. Beard, Miss Ramga, Mr. Gruber, Mr. Welling and Mr. Morrison had charge of the homerooms and duties as advisors.

Their first Homecoming Queen Attendant was lovely Susie Owen.

In September, 1962, approximately 147 of the original class assembled to begin the next flight of "stairs". With their wagon hitched firmly to the not-so-distant star of graduation, the Juniors began arrangements for financing the annual Junior-Senior Prom. In the beginning the bankroll was pretty slim.

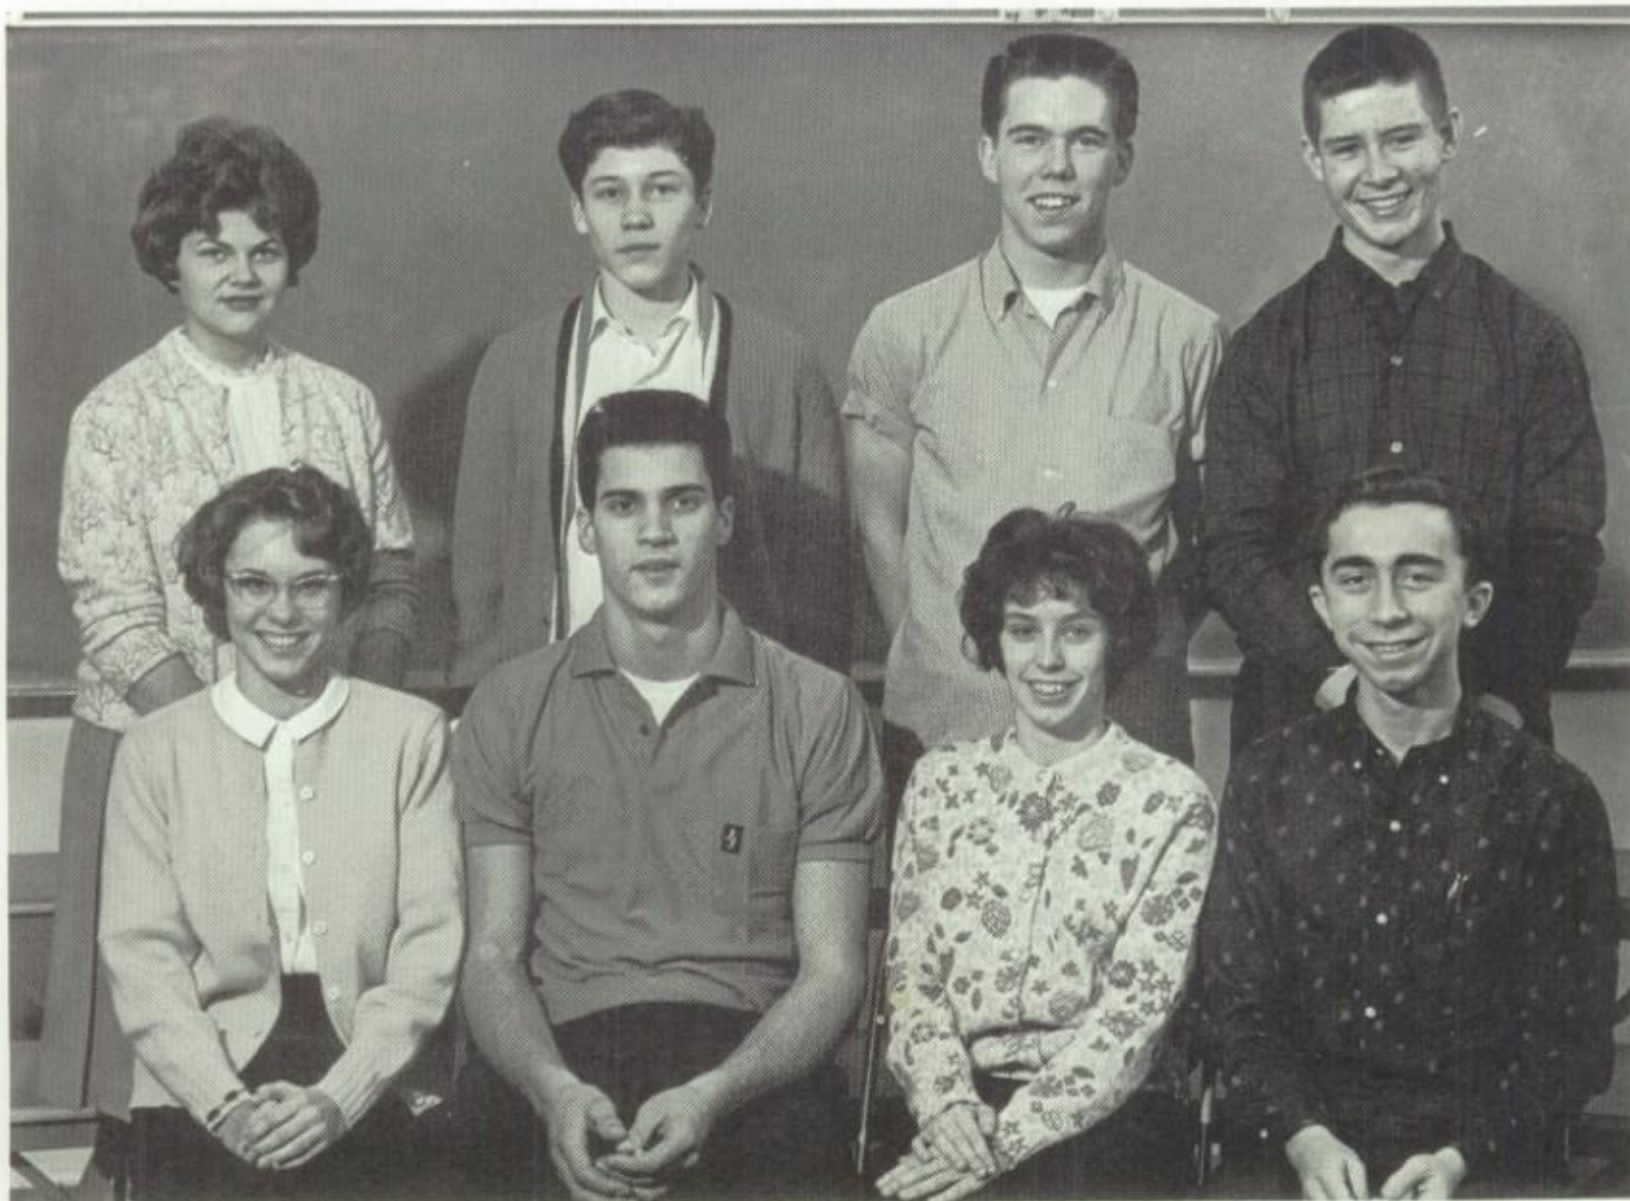

The election of officers closed with Chuck Baltzer, President; John Martin, Vice-President; Diana Tennil, Secretary, and Linda Thern, Treasurer. Chuck, assisted by Peg Stucky and Richard Wagner represented the Juniors in Student Council.

Diana Tennil was their very pretty attendant to the 1962 Homecoming Queen.

With the help of the Jip Joints at games, dances, and other various money-making projects, funds were raised for the Prom and the year ended on a note of cheer.

ACTIVITIES

Seated: Jane Angerman, Vic Crecco, Kristine Hershberger, Gary Gardner, *Standing:* Peg Stucky, Richard Wagner, Chuck Baltzer, Gary Bowen.

STUDENT COUNCIL

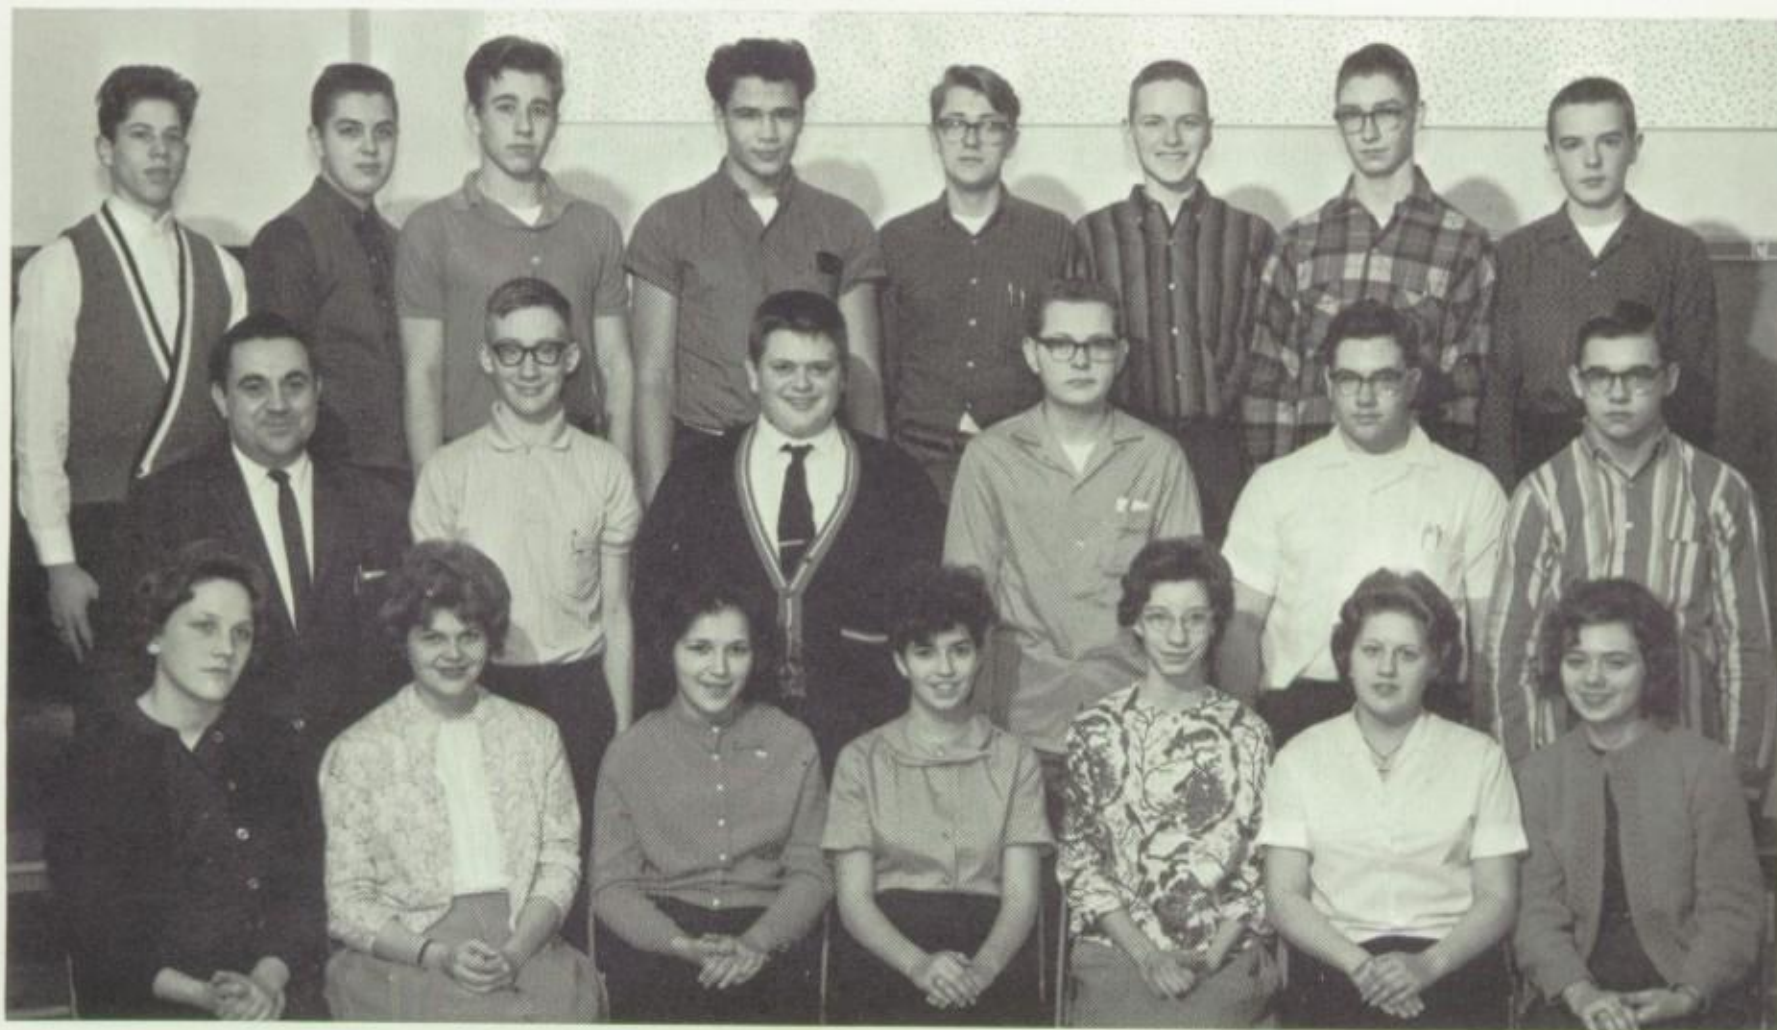

The Student Council has been very active this year and has tried to make the school a better place for the students and teachers. In order to better represent the student body the council placed a suggestion box in the school for the students' and teachers' use. At their weekly meetings they discussed and tried to solve the problems pointed out by the suggestions.

Other activities of the group were the planning of the annual homecoming and the standardization of the color and emblem of the Fairless class jackets.

From 9:20 to 3:40 each day these ten student librarians assisted Mrs. Sherer and Mrs. Wiita in taking care of the demands of both elementary and high school students in the library. They have learned to check books in and out, put them back on shelves correctly, file, type, and even help with reference questions.

ATHLETICS .

CO-CAPTAINS

Bob Coyne was one of our two best yard gainers. He displayed some excellent talent and shared the *Most Valuable Back* award.

Lucky Price proved to be valuable to the success of our team this year. He threw some excellent touchdown passes and was capable of meeting emergency plays.

FOOTBALL

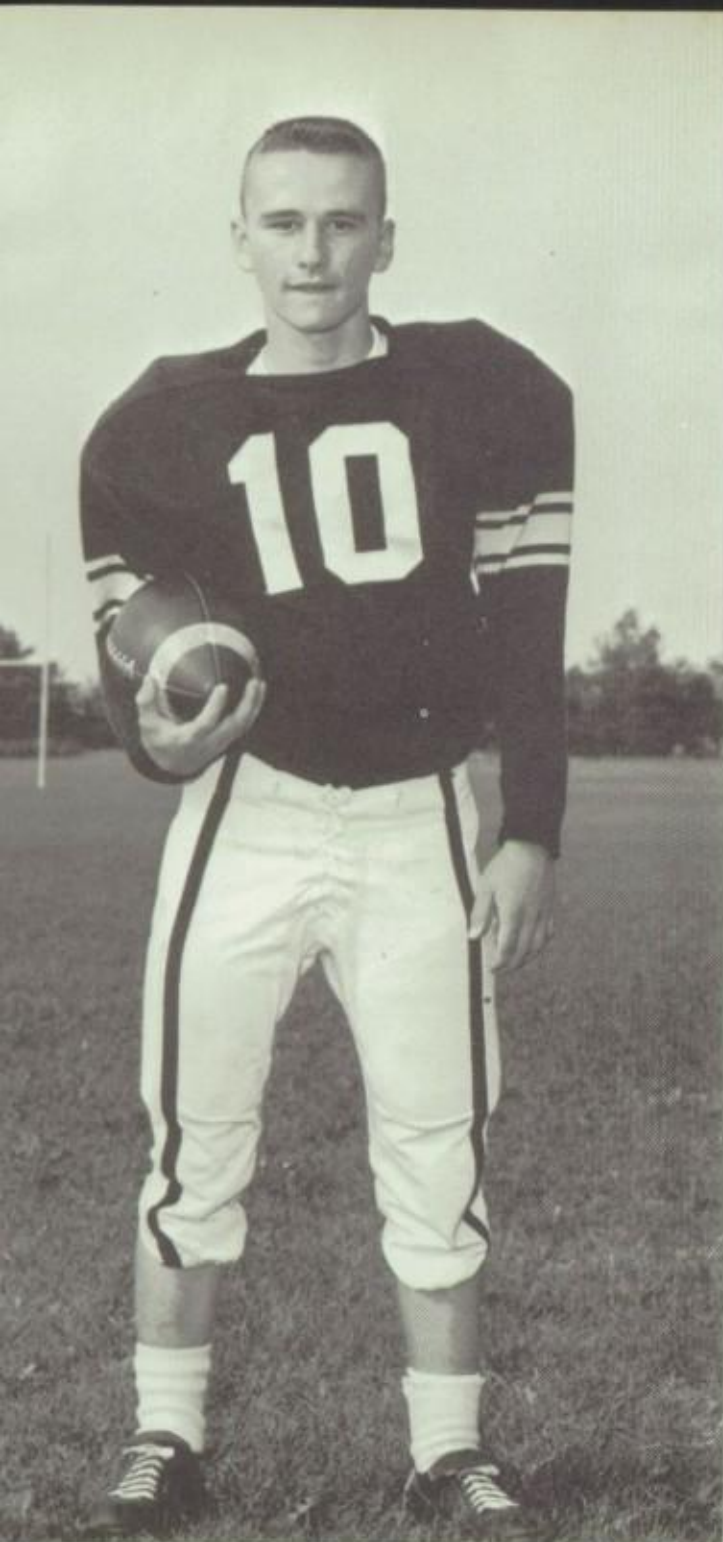

The 1962 season found the Falcons facing the toughest opposition in FHS's short history. As a result the season ended with a 4-5-1 record. When the team began to jell the season ended on a winning tone with three victories. The last was a resounding 24 to 6 win in the mud and a driving rain against arch-rival Northwest.

Much of this success was attributed to the spirit and enthusiasm of Tim Compan and the defensive unit which was outweighed 10 to 20 pounds in every game. Tim, voted the most valuable player, went both ways. He led the blocking or carried the ball with equal success on offense and was a vicious tackler on defense. The defensive unit was lead by Duane Hamilton, an immovable rock, and Bill Thomas, a dogged pass defender, who were chosen as the outstanding defensive lineman and back respectively.

The spirit and determination of the offense were emphasized by the fact that only in one game were they denied a touchdown. Dave Agler, the outstanding lineman, opened many of the holes for Bob Coyne and Squirt Remenaric, co-holders of the leading back award, to go for long gains and touchdowns in these victories.

Chip McCullough strengthened our defensive line as an end. Chip played hard through the season and should be commended on his school spirit.

Charles Crawford showed outstanding ability as a center and is to be congratulated for his enthusiasm and teamwork.

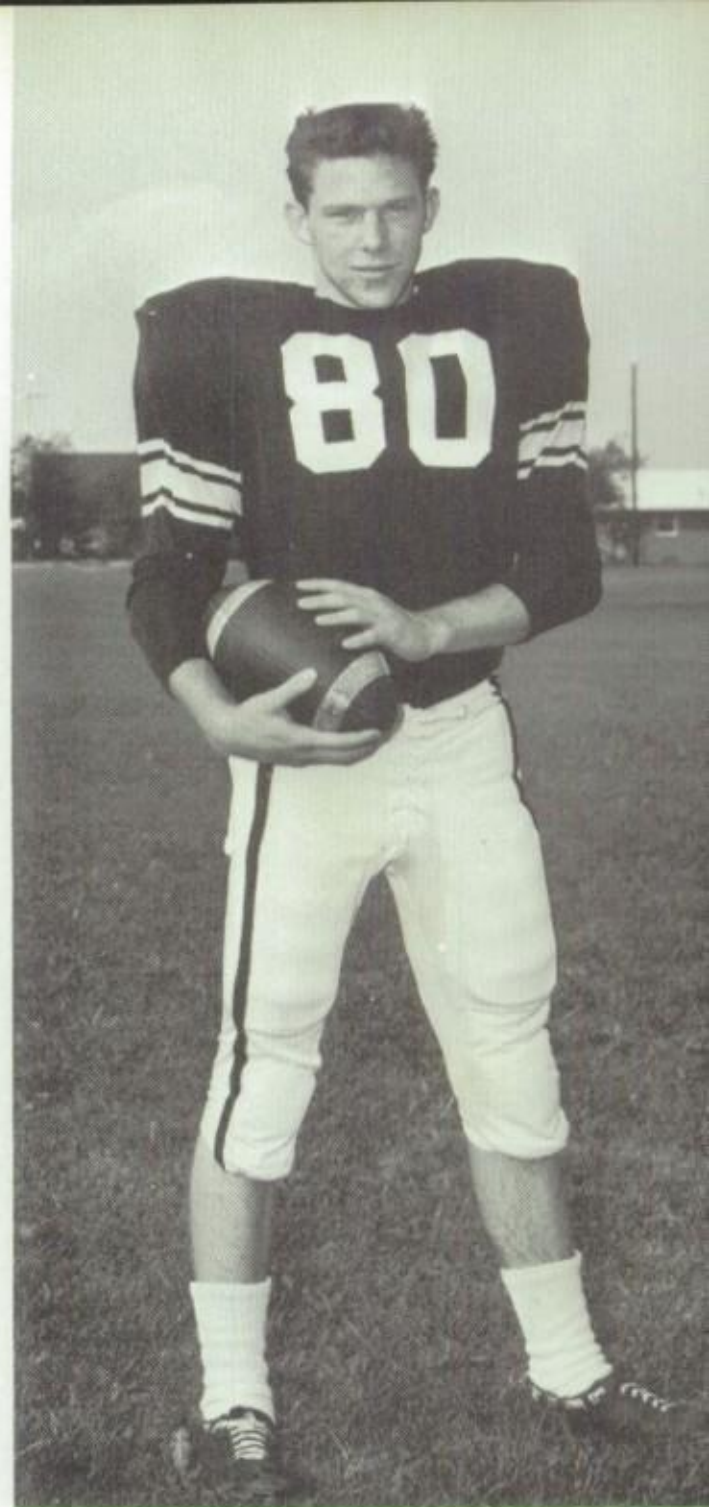

Budd Dingwall was our right guard. He did a good job of opening up the defensive line for our runners.

Jack Sessor's ability as an end enabled him to nab some excellent passes and gain yardage for touchdowns through the season.

Duane Hamilton was a terrific offensive tackle who protected our runners. For his skill he received the *Most Valuable Offensive Lineman* award.

Keb Leeman, left guard, did an outstanding job of protecting the runners.

Tim Compan displayed his ability as a defensive half and strengthened our defensive team. Tim was awarded the *Most Valuable Player* award.

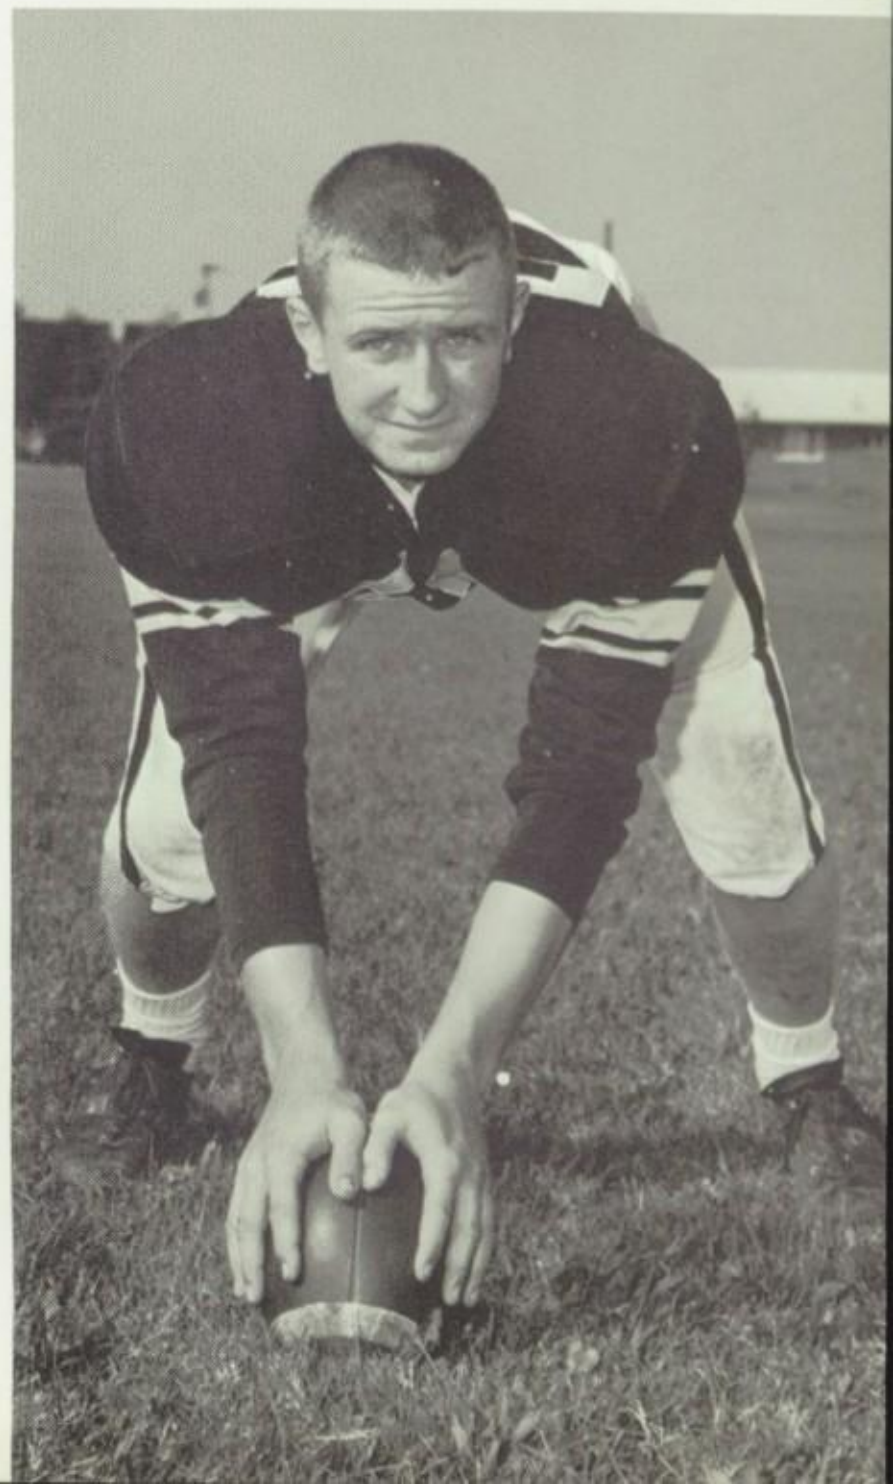

Walter Houston displayed his ability as defensive tackle. His good spirits kept the team alive and hustling.

BASEBALL

Coach Fred Brideweser piloted his charges to another successful season. A strong, well-balanced team is nothing new to Bridie and the 1962 squad was no exception. The Diamondmen posted an impressive 14 to 4 season record. The team was handed a setback in the first game of the District Tournament by Central Catholic as they were blanked 5 to 0.

The cold, wet spring hampered many workouts at the field and forced the team to practice in the gym. Several of the regularly scheduled games were washed out and had to be either postponed or cancelled.

Spirited sophomores broke into the starting line-up pushing the older members of the squad into top form. Much of the success was due to the efforts of the underclassmen. With the experience of this year, Bridie is looking forward to an even better record in '63.

The Falcon track team of '62 was a hard working group of boys. Sparked by the fine coaching of Mr. Steiner and his assistant, Roger Viscounte, the team was able to represent Fairless well at the track meets. The track squad calls for versatile athletes who possess stamina. Practice means hard work and almost constant running. We take our hats off to the coaches and members of the '62 track team.

At last the moment arrived and Queen Kristine stepped from the car to be escorted across the field by co-captains Bob Coyne and Lucky Price. She was attired in a black and white plaid suit complimented by red accessories, dazzling the spectators.

Lucky Price, representing the team, presented her with a beautiful bouquet of red roses. The climax came when Kristine was crowned by Bob Coyne as the Homecoming Queen of 1962!

*"Queen Kristine, the Belle of the Ball,
Looked the most enchanting of all.
She seemed like an angel on cloud number nine,

TEENERS OF THE MONTH

Each month the Canton Repository salutes an outstanding girl and boy of Stark County. Twenty-one schools in this area are asked to send representatives to the Repository to be on a teen board to help pick these outstanding teeners. They are judged on leadership, character and responsibility. The representative from our school is Peg Stucky. Once a month Peg attends a meeting in Canton where she and other members of the board, after long deliberation and discussion, vote on the teen of the month. Our committee back home, under the leadership of Beth Thompson, pick the one from the nominees who they think will best represent Fairless. Congratulations to these outstanding citizens.

The Grasshopper and the Twig

TO the bulging eyes of the grasshopper it was just a spray of green young twigs, full of sap and spring.

The next instant one of the twigs lunged forward. The 'hopper was clamped in a pair of vise-like arms. The Praying Mantis, twig-shaped hunter of the insect world, began to dine.

Natural camouflage is not restricted to insects. Human "twigs", too, disguise their deadliness. Communists look and act and talk just like other people.

If we as individuals cannot penetrate the Communists' disguise, how can we possibly combat them?

The answer is so simple it is widely ignored. We can keep them out of positions of trust, where they can really harm us—simply by being *in* those positions of trust ourselves.

It means that many more of us must make the same kind of extra effort the Communists willingly make. It means ordinary citizens getting into active politics, joining civic organizations, doing the jobs the Communists would *like* to do.

It means work, no two ways about it. But if true Americans don't do it, Communists gladly will.

And it's work by which we could provide a powerful defense against our perfectly-disguised enemies, the Communists.
